

SEND Policy

How do we at MCS LTD support Children with additional needs?

Our Club recognises that some children have additional needs and or physical disabilities that require particular support and assistance.

We will assess the individual needs of each child in consultation with their parents prior to attending the Club, and will make reasonable adjustments to ensure that children can access our services and are made to feel welcome.

Where one-to-one support is required we will assist parents in accessing the funding required to provide the additional care.

Special Educational Needs Coordinator

The Club's Special Educational Needs Coordinator (SENCO) is

Leanne Flitcroft

As the SENCO Leanne will Manage the provision for children with special educational needs or physical disabilities.

Leanne will ensure all staff are as fully trained and experienced in the care and assessment of such children as possible.

All members of staff will assist the SENCO in caring for children with additional needs or physical disabilities.
